Deadline (3:00pm).**

**UCAS**

### SIXTH FORM TRIPS

Skating to success!

A number of Year 13 students were treated to the **Windsor On Ice** experience as a reward for their hard work and achievements. Both the students and staff members had an absolutely brilliant time!

It was lovely to see the pupils engaging in an activity that some of them had not taken part in ever before. Many of them learnt how to skate extremely quickly, others provided great entertainment as they slid around the rink! **Well done Year 13!**

# TOP TIPS

## RETRIEVAL PRACTICE - GRAPHIC ORGANISERS

- Graphic organisers are any **diagram/image**.

For example, double bubble maps can be used to explore similarities and differences between the two topics. The differences are placed in the outer rings and the similarities in the linked spaces.

- Sequence arrows can be used to show **order of a process**.
- Causes and effect organisers require pupils to the **causes and consequences**.
- You can complete a graphic organiser from **memory** and then use your notes to **check it is correct** and fully complete.

## RETRIEVAL PRACTICE - RETRIEVAL CLOCKS

Split a piece of paper into **12 sections**.

Each section is **one aspect** of the topic.

You have **5 minutes** to complete each section.

Do this from **memory** and then use your notes to check and correct.
