1. Purpose and scope

At The Westgate School, we believe it's important to:

- Work in partnership with parents/careers to support their child's learning
- Create a safe, respectful and inclusive environment for students, staff and parents
- Model appropriate behaviour for our students at all times

To help us do this, we set clear expectations and guidelines on behaviour for all members of our community. This includes staff (through the staff code of conduct) and students (through our behaviour policy).

This code of conduct aims to help the schoolwork together with parents by setting guidelines on appropriate behaviour.

We use the term 'parents' to refer to:

- Anyone with parental responsibility for a student
- Anyone caring for a child (such as grandparents or child-minders)

2. Our expectations of parents and carers

We expect parents, carers and other visitors to:

- Respect the ethos, vision and values of our school
- Work together with staff in the best interests of our pupils
- Treat all members of the school community with respect – setting a good example with speech and behaviour
- Seek a peaceful solution to all issues
- Correct their own child's behaviour (or those in their care), particularly in public, where it could lead to conflict, aggression or unsafe conduct
- Approach the right member of school staff to help resolve any issues of concern

3. Behaviour that will not be tolerated

We consider that aggressive, abusive or insulting behaviour or language from a parent presents a risk to staff or students. Unacceptable behaviour is such that makes a member of staff or student feel threatened. This can be through face-to-face contact, on the telephone or in written communication (including social media). The following is not an exhaustive list but seeks to provide illustrations of such behaviour:

- Disrupting, or threatening to disrupt, school operations (including events on the school grounds and sports team matches)
- Swearing, or using offensive language
- Displaying a temper, or shouting at members of staff, pupils or other parents
- Threatening another member of the school community
- Sending abusive messages to another member of the school community, including via text, email or social media
- Raising of voice so as to be intimidating
- Physical intimidation, eg by standing very close to him/her or the use of aggressive hand gestures
- Posting defamatory, offensive or derogatory comments about the school, its staff or any member of its community, on social media platforms
- Use of physical punishment against your child while on school premises
- Allegations which turn out to be vexatious or malicious.
- Any aggressive behaviour (including verbally or in writing) towards another child or adult
- Disciplining another person's child – please bring any behaviour incidents to a member of staff's attention
- Smoking or drinking alcohol on the school premises (unless alcohol has been allowed at a specific event)
- Possessing or taking drugs (including legal highs)
- Bringing dogs onto the school premises (other than guide dogs)

4. Breaching the code of conduct

If a parent/carer/visitor behaves in an unacceptable way towards a member of the school community, the Headteacher or appropriate senior staff will assess the level of risk before deciding on a future course of action. The course of action will be reasonable and commensurate with the assessed level of risk.

Risk Assessment

The Headteacher will carry out a risk assessment in order to help make a decision about the level of response. In all cases the response will be reasonable and proportionate.

The Headteacher will consider the following questions:

- What form did the abuse take?
- What evidence is there?
- What do witnesses say happened?
- Are there previous incidents to take into consideration?

- Do members of staff/students feel intimidated by the parent's behaviour?
- Is there any evidence of provocation?
- How high is the assessed risk that this will be repeated or there will be retaliation at the school's action? (low, medium, high).

Recording of Incidents

Staff/students subject to abuse and witnesses will make written statements about incident(s) which will be kept in a file with subsequent letters. This file will be kept by the Headteacher's PA. Depending on an assessment of the risk of retaliation to witnesses or individuals, statements made by adults may be made available to the parent if they request it.

The School's Response

Following the completion of the risk assessment, the Headteacher will decide the level of action to be taken. Actions will include the following:

1. Clarify to the parent what is considered acceptable behaviour by the school

In some instances it may be appropriate to simply ensure the parent is clear about behaviour standards expected by the school. This could be explained by letter from the Headteacher. This letter may contain a warning about further action if there are further incidents. The parent will be invited to write to the Headteacher with his/her version of events within 10 working days. Depending on the parent's response a meeting may then be held to discuss the situation and how this can be avoided in future.

2. Invite the parent to an informal meeting to discuss events

This could be helpful to discuss and diffuse the situation. The safety and well-being of those attending such a meeting must be carefully considered. Members of school staff will always be accompanied by at least one other colleague at such meeting. Consideration should be given to the seating arrangements, and care taken to ensure exits cannot be blocked by a parent who could potentially become aggressive.

The main points of discussion and any agreed actions should be noted, and a follow-up letter or email sent to confirm the school's expectations and any agreed actions.

3. Impose conditions on the parent's contact with the school and its staff

Although fulfilling a public function, schools are private places. The public has no automatic right of entry. Parents of enrolled students have an 'implied licence' to come onto school premises at certain stated times. It is for schools to define and set out the extent of such access. Parents exceeding this would be trespassing.

Depending on the type, level or frequency of the unacceptable behaviour, the school may consider imposing conditions on the parent's contact with the school. These conditions may include (but are not exclusively):

- being accompanied to any meeting with a member of school staff by a member of SLT
- restricting contact by telephone to named members of the senior leadership team
- restricting written communications to named members of the senior leadership team

- restricting attendance at school events to those where the parent will be accompanied by a member of the senior leadership of the school
- any other restriction as deemed reasonable and proportionate by the Headteacher.

In this case the parent will be informed by letter from the Headteacher the details of the conditions that are being imposed. The parent would then be given 10 working days from the date of that letter to make representations in writing about the conditions to the Chair of Governors. The Chair of Governors would then decide whether to confirm or remove the conditions. This would be communicated to the parent in writing within 10 working days of the date of the parent's letter. If the decision is to confirm the conditions imposed, this decision will be reviewed by the governing body after approximately six months (and every six months after that, if appropriate). The parent will be invited to make written representation to the governors. This and the evidence from the Headteacher will be considered at a Governors Panel Meeting. Governors may decide to maintain, extend or remove the conditions. The decision of the review will be communicated to the parent by the clerk to the governors within 10 days of the date of the meeting.

When deciding whether it will be necessary to maintain, extend or remove the conditions, governors will give consideration to the extent of the parent's compliance with the conditions, any appropriate expressions of regret and assurance of future good conduct received from him/her and any evidence of the parent's co-operation with the school in other respects.

4. Imposing a ban

Where other procedures have been exhausted and aggression or intimidation continues OR where there is an extreme act of violence then the school will consider banning the individual from school premises. This will include banning a parent from accessing school staff by written communication or telephone.

In these circumstances, the individual would be advised in writing by the Headteacher that a provisional ban is being imposed. The parent would then be given 10 working days from the date of that letter to make representations about the ban in writing to the Chair of Governors. The Chair of Governors would then decide whether to confirm or remove the ban. This would be communicated to the parent in writing within 10 working days of the receipt of their letter.

If the Chair's decision is to confirm the ban, parents in these circumstances will be offered an annual meeting about their child's progress, usually with a member of the senior leadership team. A decision to impose a ban will be reviewed by the governing body after approximately six months (and every six months after that, if appropriate). The parent will be invited to make written representation to the governors; this and the evidence from the Headteacher will be considered at a meeting of the full Governing Body. Governors may decide to remove the ban, extend the ban or impose conditions on parent's access to the school. The decision of the review will be communicated to the parent by the clerk to the governors within 10 days of the date of the meeting.

In deciding whether to remove or extend the ban or impose conditions, Governors will give consideration to the extent of the parent's compliance with the ban, any appropriate expressions of regret and assurance of future good conduct received from him/her and any evidence of the parent's co-operation with the school in other respects.

5. Removal from school

Parents who have been banned from the school premises and continue to cause a nuisance will be deemed to have committed a section 547 offence. They will be considered as trespassers. In these circumstances the individual will be removed from school. This may be carried out by a police officer or person authorised by the Governing Body. Legal proceedings may be brought against the parent.

6. Complaints policy

Any parental complaint that arises from incidents of abusive behaviour will be dealt with under the complaints policy
