1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the statutory guidance on [Working together to improve school attendance](#) from the Department for Education (DfE). We aim to achieve this through our whole-school culture and ethos that values good attendance, which includes:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the DfE's statutory guidance on [Working together to improve school attendance](#) and [School attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- [Maintained schools: Part 3 of the Education Act 2002](#)

- Part 7 of the [Education and Inspections Act 2006](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- <https://www.legislation.gov.uk/ukxi/2006/1751/contents>The Education (Penalty Notices) (England) (Amendment) Regulations 2013
- The [Equality Act 2010](#)

<https://www.legislation.gov.uk/ukxi/2013/757/regulation/2/made>It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)
- [Ofsted's 2025 framework toolkit](#)

3. Roles and responsibilities

3.1 The governing board

The governing board is responsible for:

- Setting high expectations of all school leaders, staff, pupils and parents/carers
- Making sure school leaders fulfil expectations, statutory duties and comply with the law on school attendance, including:
 - Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authority
 - Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos
- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils' needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance

- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
 - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- Holding the headteacher to account for the implementation of this policy

Our Attendance Governor is Mr. K Sahota

3.2 The headteacher

The headteacher is responsible for:

- The implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Issuing penalty notices, where necessary, and/or authorising the Deputy Headteacher to be able to do so
- Working with the parents/carers of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers
- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents/carers through all available channels
- Sharing information from the school register with the local authority, including:
 - Notifying the local authority when a pupil's name is added to or deleted from the school admission register outside of standard transition times
 - Providing the local authority with the details of pupils who fail to attend school regularly, or who have been marked with an unauthorised absence for a continuous period of 10 school days
 - Providing the local authority with the details of pupils who the school believes will miss 15 days consecutively or cumulatively because of sickness

3.3 The designated senior leader responsible for attendance

The designated senior leader (also known as the 'senior attendance champion') is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff
- Liaising with pupils, parents/carers and external agencies, where needed
- Building close and productive relationships with parents/carers to discuss and tackle attendance issues
- Creating intervention or reintegration plans in partnership with pupils and their parents/carers
- Delivering targeted intervention and support to pupils and families

The designated senior leader responsible for attendance is **Mr. S Nosworthy** and can be contacted via stn@westgate.slough.sch.uk

3.4 The attendance officer

The school attendance officer is responsible for:

- Monitoring and analysing attendance data (see section 9)
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the headteacher
- Working with education welfare officers to tackle persistent absence
- Advising the headteacher / Deputy Headteacher (authorised by the headteacher) when to issue fixed-penalty notices

The attendance officer is **Mrs. K Judd** and can be contacted via the following email address: kmj@westgate.slough.sch.uk

3.5 Class Teachers

Class Teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office via SIMS or Edulink within the first 10-minutes of the lesson commencing.

3.6 School administrative staff

School administrative staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system

- Transfer calls from parents/carers to the Attendance Officer where appropriate, in order to provide them with more detailed support on attendance

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends school and lessons every day, on time
- Call the school to report their child's absence before 8.15am on the day of the absence and on each subsequent day of absence, advising when their child is expected to return. Pupil absence can also be reported by parents through the Edulink App. **Parents must not share the Edulink login details with their child / children.**
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting their child's Head of Year or the Attendance Officer, who can be contacted via the details provided on the school website.

3.8 Pupils

Pupils are expected to:

- Attend every timetabled session, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils on this register.

We will take our attendance register at the start of each morning session of each school day and once during each afternoon session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending a place other than school
- Absent
- Absent – unable to attend due to unavoidable causes

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 08.30am and ends at 15.20pm.

Pupils must arrive in school by 08.27am on each school day.

The register for the first session will be taken at 8.30am and will be kept open 9.00am. The register for the second session will be taken at 13.20pm and will be kept open until 13.50pm.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 08.15am, or as soon as practically possible, by calling the school switchboard on 01753 521320

Unplanned absence can also be reported by parents through the Edulink App.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

Parents should notify the school in advance using the same protocols described above.

Where possible, the pupil should:

- Be out of school for the minimum amount of time necessary, and attend school before/after their appointment
- Wear school uniform to their appointment, to make it easier to return to school afterwards

However, we encourage parents to make medical and dental appointments out of school hours where possible.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. See section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Pupils arriving to school before the registers close (09.00am) will be issued with a 20-minute lunchtime detention. Pupils arriving after the registers have closed will serve a 1-hour, after-school detention.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may conduct a home visit or contact the police in the event of safeguarding concerns.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary
- Where relevant, report the unexplained absence to the pupil's social worker and/or youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: Issue a notice to improve, penalty notice or other legal intervention (see section 7 below).

4.6 Reporting to parents

The school will regularly inform parents (see the definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels through half termly attendance reports and Attendance Phase notifications in the event of absence triggers being met.

5. Authorised absence

5.1 Approval for term-time absence

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview for employment or for admission to another educational institution
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as:

Rare and unexpected circumstances which are unlikely to reoccur. Examples include:

- Medical emergencies
- Family emergencies (e.g. death of a relative). Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 6-weeks before the absence. The headteacher may require evidence to support any request for leave of absence. If a pupil is over compulsory school age (e.g. sixth form), leave can be requested or agreed by the pupil or a parent they normally live with.

5.2 Other reasons for authorised absence

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart for religious observance. Pupils should attend school on the days surrounding those set apart for religious observance
- Parent(s) travelling for occupational purposes – a pupil is a mobile child if their parent is travelling in the course of their trade or business and the pupil is travelling with them. In these circumstances a pupil will be considered as a mobile child, provided they are of compulsory school age and have no fixed abode and whose parent is in a trade or business that requires them to travel from place to place

- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

5.3 Absences from the school site (which are not classified as absences)

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings. These are not classified as absences. Reasons include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

6. Strategies for promoting attendance

We want our pupils to succeed and develop their skills. To do this, pupils need to avoid missing lessons and days of school as much as possible. As a school, we want to reward high attendance and not just penalise pupils for poor attendance.

In line with our rewards system, pupils receive Attendance House Points for every percent they attend each term. Across the school year, a pupil can receive up to 300 Attendance Points for their house. These points are used for House Rewards.

Additionally, pupils are entered for Half Termly Raffle Prizes for each full week of attendance. Raffles are drawn in Pupil Reward Assemblies following the conclusion of the previous half term.

Attendance incentives are under regular review at The Westgate School

7. Supporting pupils with poor attendance

Our school will make use of the full range of support and potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

7.1 Attendance contract

We use attendance contracts as a form of attendance support.

An attendance contract is a formal written agreement between a parent and the school to address irregular attendance at school. An attendance contract is not legally binding, but it provides a more formal route where previous support has not worked or would not have been appropriate.

Parents cannot be compelled to enter an attendance contract, and the school cannot agree an attendance contract in a parent's absence.

Where an attendance contract would be an appropriate form of support, the school will arrange a meeting with the parent (and pupil if they are old enough to understand) to discuss how we can work in partnership to improve the pupil's attendance.

Where parents fail to comply with an agreed attendance contract, the school may seek an alternative course of action. In the first instance, this will include discussions with the parents to seek explanations and determine whether the attendance contract remains useful. Where there is further non-compliance following these discussions, the school may take further action.

7.2 Education supervision order

In cases where voluntary early help plans and attendance contracts have been unsuccessful, we may work with the local authority to issue an education supervision order. If an education supervision order is considered, the local authority will inform the parent(s) in writing and will set up a meeting.

An education supervision order is a formal intervention but **not** criminal prosecution.

An education supervision order initially lasts for 1 year, but it can be extended within the last 3 months for a period of up to 3 years at a time.

In cases where parents persistently fail to meet the directions given under the education supervision order, they may be liable to a fine of up to £1,000 upon conviction.

7.3 Notice to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

A notice to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

It will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued, or prosecution considered, if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

7.4 Penalty notices

The headteacher (or Deputy Headteacher, authorised by the headteacher), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, we will check with the local authority before doing so, and send the local authority a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

8. Supporting pupils who are absent or returning to school

8.1 Pupils absent due to complex barriers to attendance

If the school becomes aware of barriers that relate to the pupil's needs, we will inform the local authority.

8.2 Pupils absent due to mental or physical ill health

Where a pupil is experiencing anxiety, mental ill health or emotionally based barriers to attendance, the school will seek to understand the underlying causes and identify what support or reasonable adjustments could enable the pupil to attend. The school recognises that, in some circumstances, prolonged absence may increase anxiety about returning to school and make successful reintegration more difficult.

Support may therefore focus on maintaining the pupil's connection with school, establishing predictable routines, identifying a trusted adult, providing a safe space, addressing specific triggers within the school environment and agreeing achievable steps towards sustained attendance.

Decisions will be made on an individual basis and, where appropriate, informed by advice from relevant health professionals.

Where it becomes clear that a pupil is likely to be absent from school for a significant period because of physical or mental health needs, or where repeated illness is substantially affecting the pupil's access to education, the school will work with the local authority and relevant professionals to ensure that the pupil continues to receive a suitable education.

The school will make appropriate referrals and share relevant information promptly so that alternative educational provision can be considered where the pupil's health prevents them from accessing school, in accordance with the local authority's duties under section 19 of the Education Act 1996.

Parents should consult the NHS guidance [Is my child too ill for school?](#) when deciding whether to keep their child home due to illness. We will share this guidance with parents, and provide support in understanding it, in order to promote school attendance wherever appropriate.

8.3 Pupils absent due to other barriers to attendance

SEND

Where SEND is contributing to absence or reluctance to attend, the school will seek to understand the specific barriers affecting the pupil rather than treating absence solely as an attendance compliance issue. Support may include reasonable adjustments to the school day, environment or routines; a named trusted adult/check-in; support with transitions and arrival at school; access to a safe or regulated space; adjustments relating to sensory, communication or social needs; targeted pastoral or emotional wellbeing support; and reviewing provision within the pupil's SEN Support Plan or EHCP.

The Attendance Team will work closely with the SENCO and relevant pastoral staff, and where appropriate seek advice from external professionals. Attendance interventions will be regularly reviewed to determine whether they are improving the pupil's ability to attend and access education.

Where a pupil has an EHCP and attendance concerns indicate that current provision may no longer be meeting need, the school will consider whether an early review of the EHCP and/or further engagement with the local authority is appropriate.

Where a pupil has an education health and care (EHC) plan and their attendance falls, the school will inform the local authority.

Being disadvantaged

The school recognises that financial hardship and wider socioeconomic circumstances can create practical barriers to attendance. Where these are identified, the school will seek to remove or reduce them wherever reasonably possible.

Support may include assistance with uniform, equipment, food or transport; access to breakfast provision; support with educational visits and enrichment; provision of resources required for learning; early-help referrals; and signposting families to appropriate local or voluntary services.

Pupil Premium funding may be used, where appropriate and consistent with the school's Pupil Premium strategy, to address identified barriers to attendance.

The school will avoid assumptions about the reasons for absence based solely on a pupil's disadvantaged status. Support will be based on an assessment of the individual pupil's circumstances.

Being known (or previously known) to children's social care

Attendance concerns involving pupils who are known or previously known to children's social care will be considered within the school's wider safeguarding arrangements. Patterns of absence, unexplained absence or changes in attendance may be indicators of increased vulnerability or risk.

The Attendance Team will work closely with the DSL and safeguarding team to ensure that attendance and safeguarding information is appropriately shared and considered together.

Where appropriate, the school will work with social workers, family support workers, the local authority, Virtual School Head and other relevant professionals. Attendance actions may form part of Child in Need, Child Protection, Early Help or other multi-agency plans.

Where attendance deteriorates unexpectedly or the school is unable to establish a pupil's whereabouts or welfare, safeguarding procedures will take precedence and appropriate action will be taken without delay.

For pupils previously known to children's social care, the school will remain alert to the possibility that historic vulnerabilities or family circumstances may continue to affect attendance even where statutory social care involvement has ended.

Having other barriers to attendance (e.g. young carers)

The school recognises that pupils may experience barriers which do not necessarily fall within SEND, disadvantage or social care categories. These may include being a young carer; bereavement; family illness; housing instability; domestic circumstances; bullying; anxiety about school; difficulties with peers; transport difficulties; cultural or family circumstances; or other significant changes in the pupil's life.

Where a barrier is identified, the school will seek to understand the pupil's circumstances through discussion with the pupil and family and agree proportionate support.

This may include a named key adult; mentoring; check-in/check-out arrangements; flexible support at the beginning or end of the school day; breakfast provision; pastoral support; support with peer relationships or bullying; referrals to Early Help or appropriate external services; young-carer support; and short-term individual attendance plans with clearly identified actions and review dates.

Assess → Identify the pupil's attendance pattern and establish the underlying barrier through attendance data, pupil voice, parent/carer discussion and relevant SEND, safeguarding and pastoral information.

- **Plan** → Agree a small number of specific and proportionate interventions. Identify who is responsible, what improvement is expected and when the intervention will be reviewed.

- **Do** → Put the agreed support in place promptly and ensure relevant staff understand any reasonable adjustments required.

Review → Evaluate whether the intervention is improving attendance and/or the pupil's ability to access school. Continue, amend, escalate or cease interventions according to their impact.

8.4 Pupils returning to school after a lengthy or unavoidable period of absence

Reintegration following a lengthy or unavoidable absence

Where a pupil has experienced a lengthy or unavoidable period of absence, the school will take a supportive and individualised approach to reintegration. The purpose of reintegration is to remove barriers to attendance, rebuild routines and relationships, address missed learning and support the pupil to return to regular and sustained attendance.

The school will seek to maintain appropriate contact with the pupil and their family during an extended absence, where circumstances allow, so that the pupil remains connected to the school community and preparations for their return can begin at the earliest appropriate opportunity.

Before or immediately following the pupil's return, a member of the pastoral, attendance or SEND team, as appropriate, will meet with the pupil and/or their parent/carer to understand any concerns or barriers associated with returning to school. Relevant information from professionals involved with the pupil may also inform the reintegration arrangements.

Depending upon the pupil's individual circumstances, reasonable support may include:

- a reintegration meeting with the pupil and parent/carer before their return;
- an identified key adult and regular check-ins during the initial reintegration period;
- a clear return-to-school plan, including agreed actions, responsibilities and review dates;
- appropriate reasonable adjustments for pupils with SEND or medical needs, developed in consultation with the SENCO and/or relevant professionals;
- support to address missed learning, prioritising essential knowledge and avoiding an unmanageable expectation to immediately complete all missed work;
- pastoral support to address anxiety, relationships, bereavement, bullying or other circumstances associated with the absence;
- support with practical barriers such as uniform, equipment, transport or routines;
- careful management of transitions, including arrangements for arrival, break/lunchtime or movement between lessons where these present a barrier;
- liaison with relevant external professionals, including health, SEND, Early Help or children's social care services where appropriate; and
- regular monitoring of attendance and wellbeing following the pupil's return, with support adjusted according to its impact.

The school's expectation will normally be that pupils return to full-time education as soon as they are able to do so. Where professional advice or the pupil's individual circumstances indicate that an immediate full-time return would not be appropriate, the school may consider a short-term, time-limited phased reintegration. Any such arrangement will have a clear rationale, intended outcomes, review dates and a plan for increasing the pupil's time in school.

A reduced or part-time timetable will not be used as a long-term solution to poor attendance or behaviour, or solely for the convenience of the school or family. Any part-time timetable will be exceptional, agreed with parents/carers, regularly reviewed and operated in accordance with statutory guidance and the school's safeguarding responsibilities.

Where attendance begins to deteriorate again following reintegration, the school will seek to identify the cause promptly and review or adapt the support in place rather than waiting for the pupil to reach persistent or severe absence thresholds.

9. Attendance monitoring

9.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) daily, weekly, half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

9.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

9.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils we have identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 9.4 below)

- Provide regular attendance reports to class teachers to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs coordinator, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

9.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 7, above)

The Westgate School operates a 6-tiered Phase System to address absence at specified trigger points. Details of this can be seen below:
